ANVESHAN
22ND MARCH 2026

About Pharma Anveshan

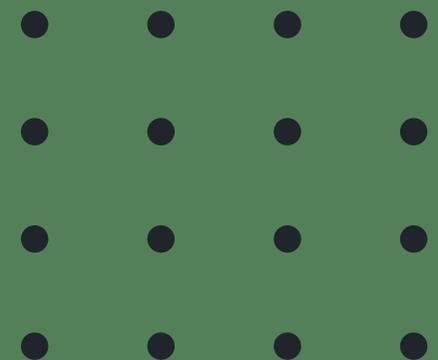

Pharma Anveshan is a prestigious national initiative organized by the **Pharmacy Council of India** to commemorate **National Pharmacy Education Day** on 6th March, marking the birth anniversary of **Prof. M. L. Schroff**, the **Father of Pharmacy Education in India**. The event also serves as a platform for pharmacy professionals to discuss the **National Education Policy, 2020**.

PROF. MAHADEVA LAL SCHROFF
1902-1971

Prof. Mahadeva Lal Schroff

Mahadeva Lal Schroff (1902–1971) is known as the Father of Pharmacy Education in India. He established the first pharmacy department at Banaras Hindu University in 1937 and laid the foundation for modern pharmacy education in the country.

Pharma ANVESHAN 2026

22ND MARCH 2026

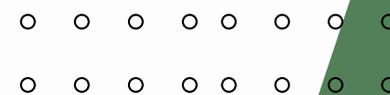

CONCLAVE OVERVIEW

Pharma Anveshan – 2026 is a premier national conclave commemorating the 123rd Birth Anniversary of **Prof. M. L. Schroff**, the Father of Pharmacy Education in India. The event is going to be organized and hosted by **Dadhichi College of Pharmacy** under the aegis of the **Pharmacy Council of India**. It brings together researchers, academicians, policymakers, and industry experts to deliberate on cutting-edge advancements in pharmaceutical sciences. Aligned with the **Sustainable Development Goals (SDGs)** and the **vision of a New India**, the conclave promotes innovation, collaboration, and sustainable growth in the pharmaceutical sector to strengthen healthcare outcomes and contribute to national development. It serves as a dynamic platform for academia–industry partnership, policy dialogue, research exchange, and professional networking, while also providing a solemn occasion to honour the legendary architect of pharmacy education and reaffirm our collective commitment to excellence, ethics, and innovation in shaping the future of the profession.

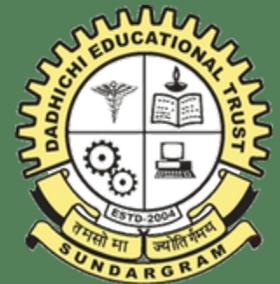

Deeper Insights Contributing to the Vision of New India

- ✓ Strong Industry–Academia Synergy
- ✓ Startup & Entrepreneurship Promotion
- ✓ SDGs & Sustainable Healthcare
- ✓ Skill Development & Employability
- ✓ Innovation-Driven Research Excellence

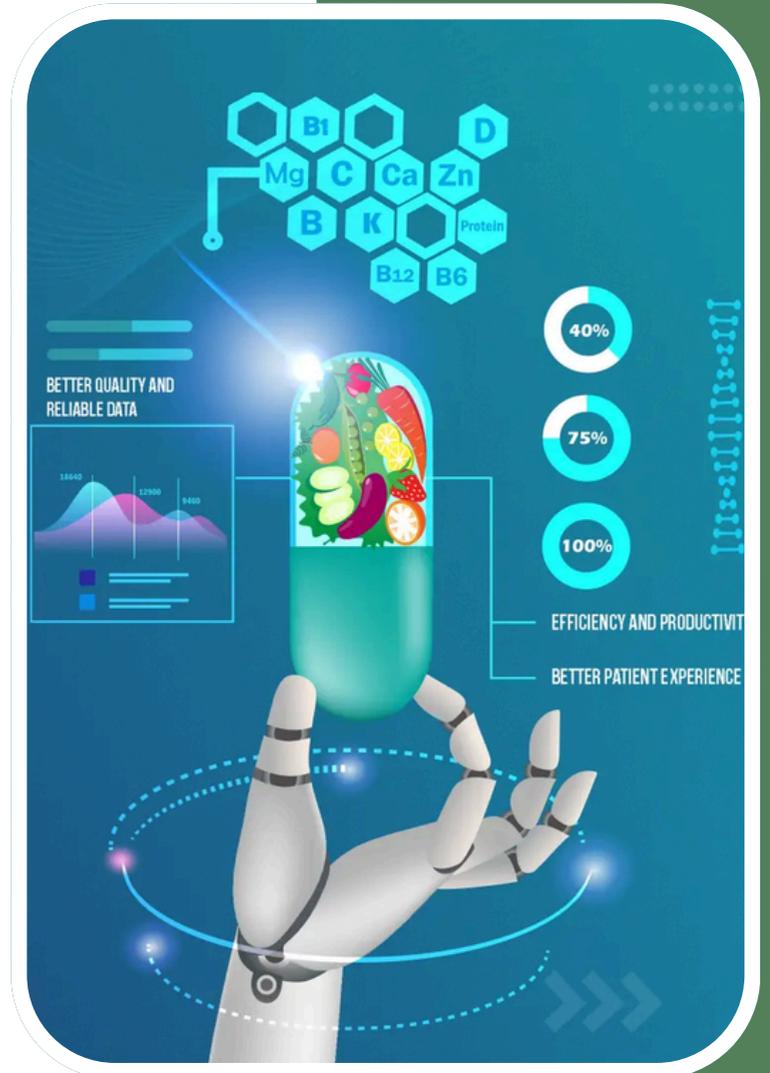

Pharma ANVESHAN 2026

22ND MARCH 2026

WHO WILL ATTEND ?

- ✓ Representatives from the Pharmacy Council of India (PCI)
- ✓ Officials from Regulatory bodies and Government Departments
- ✓ Principals, Deans and academic leaders
- ✓ Researchers and faculty members from pharmacy institutions
- ✓ Industry experts from pharmaceutical manufacturing, R&D, and clinical sectors
- ✓ Start-up founders and innovation leaders
- ✓ Healthcare professionals and hospital pharmacists
- ✓ D.Pharm, B.Pharm, M.Pharm, and Pharm.D students
- ✓ Representatives from professional associations, industry organizations and Civic society

400+ Delegates

100+ Colleges

10+ Corporate Experts

10+ Regulatory Experts

7+ Sessions

Call for Abstracts

We invite researchers, academicians, industry professionals, startups, and students to submit abstracts for oral and poster presentations.

Submissions may include **innovative commercial or academic patents, translational or scientific research, startup ideas, and scientific research** aligned with the theme of advancing pharmaceutical education, research, regulatory excellence, entrepreneurship, and sustainable healthcare in the spirit of **Viksit Bharat 2047**.

Abstracts will be selected based on novelty, scientific rigor, alignment with the identified thrust areas, and their potential impact on academia, industry, and society. The shortlisted abstracts will be invited to present their work before a distinguished panel of experts subject to registration in the conclave. The best abstract award will be conferred in each category in recognition of outstanding research contribution, innovation, and translational potential.

Best idea of this program shall be selected for National Level
