## Two Day Faculty Development Programme (FDP)

### “New Age Teaching Methodology and Pedagogy”

The current era demands adaptive and innovative teaching methods to help students to reach their full potential with a deep understanding of mental health. However, it's more challenging to get the newer technology where educators can acquire the necessary skills to meet modern teaching demands. **FDP** is one of the endeavors to enhance teaching effectiveness by offering workshops and resources designed around the latest educational theories and pedagogies.

The "New Age Teaching Methodology and Pedagogy" refers to innovative and contemporary approaches to education that align well with the objectives of the National Education Policy (NEP-2020). It's indeed emphasizes student-centered learning, critical thinking, creativity and the integration of technology that significantly enhance transforming the quality of education.

The Institution's Innovation Council (IIC) and Internal Quality Assurance Cell (IQAC) of Dadhichi College of Pharmacy organizing Two Day FDP /Teachers' Training Program as a part of Continuous Professional Development to Nurture Teachers for Transforming value based Education.
