THE INSTITUTE OF ENGINEERS, UNIT-4, BHUBANESWAR

In collaboration with:

Organised by:

DADHICHI COLLEGE OF PHARMACY  
& MAKE IN EXPO

CHANGING HEALTHCARE ENVIRONMENT & THE ROLE OF PHARMACISTS

## ABOUT THE EVENT

**Y**outh Pharma Festival is one of the flagship programs initiated by Dadhichi College of Pharmacy envisaged to encourage youth pharmacy and healthcare professionals for their contribution, collaboration and playing a great role towards Nation Building. This platform would bring together young minds from various sectors of society with their brilliant ideas on innovation, start-up, motivation and research, which can be collaborated to make a positive impact on upgrading skills, competency and capacity building. Further, this is one of the concepts of national integration, spirit of communal harmony, brotherhood, courage and adventure by exhibiting their cultural prowess in a common platform. It would be a great platform for coherently work together with a foresight of Odisha Vision @2036 and Viksit Bharat@2047 concerning to health and pharmaceutical care.

**O**disha Medical Expo is Odisha's only B2B medical equipment, diagnostic equipment, lab devices and pharmaceutical exhibition. This will be a key event for the pioneers and innovators of the Indian medical device and pharmaceutical industry such as manufacturers, distributors & marketers, packaging solution providers, APIs, machinery solution providers, hospital managers and franchisees. It enables them to network, build a community and explore a range of promising opportunities that will help them grow their business.
