

2nd Edition

24th -25th
Feb' 2024

Changing Healthcare Environment & the Role of Pharmacists

Organized by

Dadhichi College
of Pharmacy

Supported by

Youth Empowerment Initiative

Preamble...

1. **Youth Pharma Festival** is one of the flagship programs initiated by **Dadhichi College of Pharmacy** in support with **Federation of Indian Chambers of Commerce & Industry (FICCI)** and **Pharmacy Council of India (PCI)** envisaged to encourage youth pharmacy and healthcare professionals for their contribution, collaboration and playing a great role towards **Nation Building**.
2. This platform would bring together young minds from various sectors of society with their brilliant ideas on innovation, start-up, motivation and research, which can be collaborated to make a positive impact on upgrading skills, competency and capacity building.
3. Further, this is one of the concepts of national integration, spirit of communal harmony, brotherhood, courage and adventure by exhibiting their cultural prowess in a common platform.
4. It would be a great platform for coherently work together with the foresight of **Odisha Vision @2036** and **Viksit Bharat@2047** **concerning to health and pharmaceutical care**.
